Directions:

From I-95 (Route 128), take exit 31B, RT-4 N/RT-225 W toward Bedford.

After about 2.5 miles route 62 (which joined the road you're on from the right a bit earlier) will go off to the left while 4 and 225 continue straight. Take that left on 62 toward Concord.

Two tenths of a mile later you will see a sign on the right for the Bedford Avalon Community, it's just after a brightly flashing curve sign. Take the right entering the complex, then take the left fork almost immediately. There is visitor parking immediately to the left. Our building is the second on the left side of the road, and our apartment is the fifth one in that building.

Call our cell phones if you get lost!
